OUTDOOR PLAY THAT TRANSFORMS

WE DREAM. WE JUMP. WE GROW

STRATEGIC PLAN 2021-2024
Our Mission

**SHEJUMPS**

Outdoor play that transforms.

SheJumps increases the participation of women and girls in outdoor activities.

Partnering with nature, SheJumps creates safe, educational outdoor experiences for girls and women that nurture growth and transformation.

**WHY A STRATEGIC PLAN**

A strategic planning process identifies strategies that will best enable a nonprofit to advance its mission. Ideally, as staff and board engage in the process, they become committed to measurable goals, approve priorities for implementation, and also commit to revisiting the organization’s strategies on an ongoing basis as the organization’s internal and external environments change.

**THE BOARD’S ROLE**

A strategic plan serves as a roadmap and as a tool for assessing progress. Working side-by-side with staff leadership, the board should play an active and substantive role in developing, approving, and supporting your organization’s strategic planning.

**CREATING OUR NEW REALITY**

This 3-year-view of the organization is not based on current resources, but sets the tone for where we hope to be in the future and further our mission.
DEVELOPMENT PROCESS:
HOW WE GOT HERE

In November 2020, the ExComm developed a Strategic Plan Dashboard that helped uncover that many of our actionable objectives were not measurable. It accelerated our need to update our Strategic Plan.

The Strategic Planning Committee was formed and formally began meeting April 29, 2021 to develop a new Strategic Plan along with volunteers selected by Claire Smallwood, and staff.
